## INVITATION

---

Dear Colleagues,

Within the framework of academic and social cooperation in the field of Dermatology, among neighboring countries in the region, we have been organizing the Dermatology forums for years. The previous meetings took place in Skopje, İstanbul, Bursa, Bucharest, Sofia, Sarajevo and Barcelona.

You are cordially invited to the new live symposium, entitled "Dermatology Forum 2023" to be held in Belgrade on 5-7 May 2023.

This independent event will primarily focus on recent advances in the treatment of dermatological diseases.

The scientific sessions will be presented by experts from across Europe and will offer Dermatologists a valuable opportunity to learn about the significant advances made in recent years.

We believe that your participation in this symposium will be educational and beneficial to your clinical practice and would like to welcome you to join Dermatology Forum 2023
